

Presents a Sunrise Seminar

You had me at Hello! Part 1

Learn the secret of effective rapport anytime anywhere

3.5 hour
Masterclass

STRATEGIES AND TOOLS FOR ENSURING YOUR COMMUNICATION IS POWERFUL, CLEAN AND EFFECTIVE

How much more would you gain from every meeting if you could learn the skill of truly attentive listening?

What would it be worth to you within a sales role if you could choose to create instant rapport with every prospect, client and colleague?

For three and half hours and almost non stop you will be exposed to and practice the very latest in effective communication skills and models. Over 10,000 people have already experienced the difference that effective rapport makes to their lives through our house and public programmes. Communicate with more clarity, intent and fun with everyone from your clients to your colleagues and family.

We aim for a WOW! Every time we present and we get it!

“Excellent. So good and very slick. What I can I say?” LW Weston Manor Hotel Group

“The session has been very inspirational” KB Delta Textiles Group

“The day was exciting and thought provoking” SA Sportz Academy

THE VERY LATEST IN EFFECTIVE COMMUNICATION SKILLS, TECHNIQUES AND TIPS

Improvement in these areas **increases results** immediately out of all proportion to the effort required.
Revolutionary!

This masterclass is an eye-opener. Bursting with new ideas. Buzzing with energy from start to finish. The high impact content gives your people inspired strategies and tools to jump start their communication skills.

No matter what your organisation delivers or how you operate, this masterclass will have a profound and lasting effect on every member of your team.

You Had me at Hello is unique bringing the very latest in communication and behaviour studies with real world experience and tips.
